Edition 8.4 Dec '11 – Jan '12 – Win Two Nights

## WIN TWO NIGHTS

AT VILLA SAN  
IN BALI'S CULTURAL CAPITAL OF UBUD

Less than 300 metres north of Ubud's Royal Palace lies Villa San, a private and serene oasis in central Bali. Designed as a labour of love, the villa is only minutes from sensational shopping, superb spas, classic cultural performances and luxuriant rice fields.

Showcasing an impressive array of artworks and handicrafts originating from China, Africa and Indonesia, Villa San can comfortably accommodate up to 12 people in six large bedrooms (three doubles, three twins). The buildings are nestled around a 25m lap pool and set within lush gardens which incorporate elegant sculptures and a tranquil meditation terrace.

Friendly professional staff will quickly make guests feel totally relaxed at this spacious and recently (2011) refurbished villa, which is particularly suitable for an extended family or a group of friends.

All you have to do to be in the running to win a luxurious two-night stay at Villa San is simply answer the following three questions and tell us what you think of FRV Travel magazine. Send your answers to [comp@frvtravel.com](mailto:comp@frvtravel.com)

1. What is the name of the northern lights that appear in the polar skies each winter?
2. What is the average weight of each load of sulphur that is carried off Kawah Ijen by the mine workers there?
3. How many grams of fresh clams does Martin from Tancoco Jakarta recommend eating in his *Rawadats di Menu?*
4. And tell us what you think are the highlights and downfalls of FRV Travel magazine and where you found it.

The winner of last edition's FRV Travel competition will receive a stay of three nights at Villa Kulkaha with a value of approximately US\$ 1,200 via Gora Jash from Singapore.

Prizes must include full name, address and telephone number and prize of FRV Travel by January 10th 2012.
